**29.06.2009**

The laboratory has been appointed to carry out testing under the supervision of TUV Rheinland UK, for products covered within the scope outlined in Attachment 1. An assessment of the laboratory was conducted according to ISO/IEC 17025:2005 by a TUV auditor and found to be in compliance. The certificate will remain valid until the next scheduled audit or until the 30/04/2010 at the discretion of TUV .

On behalf of  
TUV Rheinland UK Ltd.
